PRAY for Preston, our Rector, and all who share leadership in our parish. May God's Holy Spirit fill us with enthusiasm as we seek to work with others in fulfilling the mission and ministry to which God calls us.

PRAY for the health of people in our community, and throughout the world, as we continue to face challenges in our lives. Be with those who care for the sick and those who serve the public while facing personal health risks. Pray that world health authorities continue to work to find ways to make vaccines available to all people throughout the world. Give thanks for all who are volunteering and working in vaccination clinics in our region and beyond. Pray especially for all who are disadvantaged by hunger, homelessness, mental illness, and unemployment.
