Heartiest Congratulations, Love, and Prayers of Thanksgiving for the Safe Arrival of Baby Chizzy on March 20!

St. John's parishioner Chinaza Onwubiko writes: "The Family of Chinonso and Chinaza Onwubiko welcomed another child among us. Though miles apart, we are souls together as we keep faith alive, while we wait for the approval of my husband and daughter's visa so we can be together again."

Cuts to international aid are affecting refugees living at the Nyarugushu Refugee Camp in Tanzania, where Alongside Hope partner Church World Service works with people like Nadia Faida and Asumani Ibocwa.

Resilience Fund will support partners affected by aid cuts

In the wake of massive cuts to international development assistance by the U.S. Government and some European governments, Alongside Hope partners are reporting that progress is being undone, programs are being forced to shut down, and families and communities are living in uncertainty about their futures. We cannot possibly fill all the gaps, but to maintain as many vital programs as possible, Alongside Hope has launched an urgent appeal to donors. Your support of the **"Resilience Fund"** will allow Alongside Hope to provide partners with additional funds for refugees, HIV-related needs and for women recovering from gender-based-violence.
